IMANA Medical Relief

Missions & Projects Around the World

www.imana.org

IMANA Medical Relief is dedicated to saving lives and relieving suffering through disaster relief, development programs and knowledge transfer. IMANA Medical Relief provides a great platform for humanitarian minded physicians and allied healthcare professionals. We collaborate with other relief organizations to facilitate their medical relief needs. As the North American arm of the Federation of the Islamic Medical Associations (FIMA), we have ready access to medical personnel, supplies, and local logistics in over 30 underdeveloped countries.

IMANA's Medical Relief missions have provided timely and effective aid for the needy worldwide.
